

Monday, 09 March 2020

Dear Parents and Carers,

You will be aware of the current Coronavirus outbreak which originated in China. The past number of weeks and days has seen the focus of press coverage being on confirmed cases in Northern Italy and recently today a worker in Disneyland, Paris. This has prompted a number of enquiries from families whose children have been on the school trip.

France, including Paris is currently not subject to any specific advice from the Foreign and Commonwealth Office. The reading from the press coverage is that the individual “worked behind the scenes at the park and did not meet guests”.

I have therefore sought advice from the Local Authority and following this, they advise and believe this to be a low risk matter and children should be back to school as planned.

The advice being issued by the government regarding personal hygiene and hand washing should be re-iterated to returning pupils and staff, which we are reinforcing across the school.

Further advice can be found at <https://phw.nhs.wales/>

Kind regards

Mr. M Sims  
Headteacher
