Dear Jaimie

Thank you so much for your kind donation of £477.00, funds donated from the Young Welsh Enterprise Scheme, Gwent and South Wales Finals.

St David's has been providing home-based hospice care for over 40 years whilst the 'In-Patient' Unit (St Anne's) has been running for over 20 years. We offer patients a unique 'care package' which is tailored to their particular needs with every measure being researched and discussed to ensure they have dignity and respect at what is the most difficult time of their lives.

One of our goals is to offer patients, carers and their families the tools to be able to cope with their diagnosis and all that it involves. This includes the understanding of the physical and emotional fight that lies ahead, and we simply couldn't do this without your help.

Thank you once again for supporting St. David's Hospice Care.

Yours sincerely,
