

¡Bienvenida!

At Chepstow School we are proud to offer you the opportunity to study Spanish.

Our vision is to develop you into global citizens who are culturally aware of the wider world. Creating citizens ready to take their place as part of a global community.

You will study topics such as:

School – giving opinions about subjects and teachers

Free-time – describing what you do in your spare time

Food – understanding of typical dishes

Art – describing paintings and artists

Holidays – describing travel and transport, ideal and future holidays

Culture – appreciation of music, film and festivals

Skills: you will develop plenty of skills with languages including group work, analysis of texts, literacy and numeracy skills, digital skills, communication, problem-solving and comprehension skills.

Don't forget: you will have opportunities to visit Spain with us too!
