

Year 7 Art

What are Year 7 Art lessons like?

You will have 2 x 1 hour lessons of Art per fortnight. Art lessons in Y7 are exciting, challenging and also fun.

What kind of projects will I do?

In Y7 you will do a combination of projects which develop your drawing, painting and making skills. You will learn how to draw from observation and also learn about the work of other artists. When you first start with us in Year 7 you will learn all about the 'Art Formal Elements'.

Are there any Art Clubs I can join?

In Year 7, there are options to join our popular 'Art Clubs' where you will have the chance to work on group projects, as well as use this time to develop your own art skills and techniques. These take place in art rooms at lunchtime.

How can I prepare over summer for my art lessons in Y7?

Take some time to enjoy making and creating artwork for yourselves, your family or friends. It really doesn't matter what type of art materials you use, as long as you are being creative. Your Art teachers would love to see some of your artwork when you start with us!
