

This is Chep

Ysgol Cas-gwent: Adran y Gymraeg

SCENARIO: The WRU have seen a spate of injuries in the last few games and have had to draft in a little known player.

You know this player because they live near you.

Tasg 1: Film in your local area describing the places the player lives and where he might have gone to school. You can use your imagination to describe what he likes and dislikes and why.

Tasg 1b: If you are unable to film, you can write a short article for the local press on the player, telling them where he is from, and what he is like.

You will need to use the 3rd person
