INSPIRING LEARNING
YSBRYDOLI DYSGU

At Chepstow School we are really proud of our Music department. We are very lucky to have three smaller practice rooms in addition to the classroom. Pupils are able to book these out at break, lunch and after school to practise in.

We hold a large scale musical every year – we really hope you'll be involved!! Everyone can take part, from Year 7 up to Year 13 and it's an absolute blast! We hold concerts every half term or term and have a thriving choir and orchestra.

Gwent Music peripatetic teachers visit weekly for lessons – you can learn anything from drums, to French horn and rap!

In lessons we learn the piano, guitar, drums and sing. We learn about the musical elements, compose our own pieces and jam out in groups.

We teach Music, not because we expect you to grow up to be musicians.

We teach music so that you can express yourself; so that you can explore your creative side; so that you can work and learn with your friends; so that you can learn how to manage your time; so that you can improve your people skills; so that you can boost your confidence; so that you can have new experiences... the list goes on and on! Music is for everyone!

Music does a lot of things for a lot of people. It's transporting, for sure. It can take you right back, years back, to the very moment certain things happened in your life. It's uplifting, it's encouraging, it's strengthening."

Aretha Franklin
